For-CLIMATE Participant Course Survey 2011

1. What new skills did you learn during the course?

2. What were you favorite parts of the course?

3. What were your least favorite?

4. Would you say this course has increased, decreased, or had no effect on interests in pursuing further higher education (B.S., M.S., Ph.D) in earth system/global change sciences?

5. Please provide any other comments on how we might improve this course in future offerings (e.g., logistics, food, travel)

Thank you! ~Ankur Desai, desai@aos.wisc.edu, 608-218-4208
